PASTOR FORM

The family listed below is applying for admission of their child to Immanuel Christian Schools. We believe the home, church, and school must work cooperatively and supportively toward the Christian nurture of God's children. Our beliefs are highlighted in our Mission and Statement of Faith and our Educational Philosophy. If their family is accepted for admission, we look forward to sharing in this responsibility. Please understand that we keep this report confidential. If you need more space, please include another paper.
